Merrillite Church,

I thank you so much for coming to Cameo house and taking your time to spend time with our children. I'm sorry I missed you for I was working. My twin 10 year olds were so happy. One was starting not to believe in Santa and because he got to pull on Santa's beard he now believes again. I believe Christmas is about family and being together but you all coming made me and them very happy. They loved all the toys especially the hot wheels and matchbox cars. Thanks again.

Much Love,

April, Anthony, and Owen

Merry Christmas and Happy New Year

Dearest New Light Church:

I would like to take this time to say Thank You for making my families Christmas bright.

I was scared because my son is at the age where he understands Santa is coming and I had no money to buy gifts. I have taught my son about the miracle of Jesus's birth. Now my son can experience both meanings of Christmas.

Thank you  
Love + Prayers  
God Bless

Dear New Light,

I would like to thank you from the bottom of my heart for Wednesday night. My name is Dawn Laws and my son is Franklin. It was so thoughtful for what you did for both of us. You brought us both tremendous joy. I will never forget the look on Franklin's face to see Santa. It is the first time due to my addiction he has seen him in real life with me. Thanks again

It was really a wonderful event  
you held for us here at CAMEO.  
There was so much joy and  
love. I was very grateful to get  
to be a part of it. Kyle loves the  
toys. It is so amazing to me  
how much was done for the mothers  
and their children. Thank you so much  
for the wonderful experience.

God Bless!

Thank you so much for everything you did for my family. We greatly appreciate it! My son Aidan loves the Elmo; we have memorized the song. I am really grateful because I really couldn't get my kids anything this Christmas. My family also enjoyed the carols. Everyone was such great singers. Again thank you so much for everything.
